(b) A Cargo ship named MV Thanivan/Karamat reportedly flying a Belizean flag, and owned by an Iranian national, left Port of Ajman in the United Arab Emirateson 28.12.96 headed towards Iraq. The ship has five Indians amongst its crew. The whereabouts of the ship and its crew are not known till date.

(c) to (e) The matter was brought to the knowledge of Government on May 30, 1997 by one of the relatives of the missing crew members. Our Missions/ Post in Dubai, Baghdad and Kuwait have been alerted and asked to contact the concerned authorities. Consulate General of India, Dubai sent an official to the shipping company's office, which consisted of a small room and the person present there gave an unsatisfactory reply about the whereabouts of the ship. The mobile telephone number of the owner of the ship went continuously unanswered and the company official in Dubai is unable to provide any information about the ship. CGI, Dubai, in the absence of any evidence of ship wreck in the areas where the ship sailed, and information made available by local authorities, has premised that the ship might have been detained for violating the UN embargo against Iraq. Thereafter, our Mission in Bahrain has been asked to contact the Multinational Interception Force (MIF) based in Bahrain to trace the whereabouts of the ship and its Indian crew members. In addition, the Permanent Mission of India to the United Nations in New York and Embassy of India, Riyadh are enquiring into the matter.
